

THE WARRIOR

DIETARY NEWS

SUBMITTED BY: WOODROW WILSON, DIETARY MANAGER

The Dietary Department of the Missouri Veterans' Home-Mexico is scheduling the next Dietary Council meeting for May 27th. All residents are invited to attend Dietary Council meeting to discuss the menus, new food items, food preparation, theme dinners, and just to have fun. These meetings are held in the Activity Room.

Sandra Young, Dining Room Supervisor, is completing the Dietary Managers in Health Care Facilities course offered in Columbia. For her final project for this course, she organized a "Chuck Wagon Barbecue" for the residents, staff, and volunteers. The Activity Department assisted with decorations and the "cow patty toss" for the celebration. The dining room was decorated in a western theme, and Gene Autry-style western music was played during the barbecue dinner and afternoon activities. The meal included a barbecued leg of beef and beef brisket, chuck-wagon corn, coleslaw, cornbread, baked beans and pecan pie and apple cobbler for dessert. Woody carved the leg of beef in the cafeteria. Staff dressed in western attire and Kathy Kuda rode her stick horse through the dining room. The next theme day scheduled is a Hawaiian Luau for June 25th.

Resident John Schollmeyer is to be commended for assisting residents and staff in the dining room. He serves coffee to early risers in the dining room and assists the dietary staff with setting tables and filling condiments in the cafeteria. The residents, along with the dietary staff, appreciate his thoughtfulness and hard work.

DIETARY CONSULTANT APPOINTED TO STATE COMMITTEE

Governor Bob Holden recently appointed Jean Howard, MS RD LD to the State Committee of Dietitians for a three-year term. This committee is composed of six dietitians and one member of the public, and reviews the applications of persons who want to be licensed as dietitians in the state of Missouri. Nominations for the State Committee must be sponsored by a state senator, and approved by a committee of the Missouri Senate. Jean has been the dietary consultant for MVH-Mexico for the past 13 years. Along with consulting for hospitals and nursing homes, she teaches foodservice sanitation classes and is the program director for the Dietary Managers in Health Care Facilities Course offered through Columbia Public Schools Adult Education program. **WAY TO GO, JEAN!**

MEMORIAL DAY THOUGHTS

SUBMITTED BY: Mae Fennewald, Accountant

As we approached Memorial Day we thought about remembering and honoring our loved ones. Perhaps we should think about our own financial situation. Have you made the decisions that will determine how your money is used when you are gone? The Mexico Veterans' Home Assistance League would be an excellent option for those who have funds to donate.

The Assistance League is a not-for-profit organization that provides the funds for many of the special activities, outing and programs that we are so fortunate to enjoy. They have also been responsible for remodeling projects such as the Chapel and are currently working toward renovations on our existing pavilion.

If you have a will and have not included the Mexico Veterans' Home Assistance League in your list of charities perhaps you want to reconsider? The services they provide to our deserving Veteran heroes may make the difference between a good day and a "great day". If you do not have a will you most certainly should consider making your wishes known in some way.

If you have any questions about making donations to the Mexico Veterans' Home Assistance League or about including them in your will feel free to contact Mae Fennewald, (573) 581-1088 ext. 256.

NEWS FROM THE SOCIAL SERVICE DEPARTMENT

*The Alzheimer's Support Group meets the 4th Wednesday of every month in the 3rd floor classroom at 1:30 p.m. and is open to the public.

*Family Council will meet June 16, 2004 in the Activity Room at 1:30 p.m.

*When new clothes or personal items are brought into the facility, please be sure they are marked with the resident's name on them. This is very important. If they are not marked and happen to go through the laundry, there is no way of telling where they belong.

****PAVILION UPDATE****

The "Special Project" is coming along just great. As of the middle of May, we had collected about \$7,000 toward the expansion of the pavilion and enhancement of the walking trail. We were still in need of approximately \$11,500 to complete the project.

Then today, May 24th, I received a telephone call from Nancy Ekern with the A.P. Green Foundation and they will be sending us \$8925 for the project through their grant program.

We look forward to starting on the project so we will be able to use it for various activities this summer.

If you would like to make a donation toward this project, just mail a check to MVH Assistance League, #1 Veterans Dr., Mexico, MO 65265. Please make a notation on the check for pavilion.

MEMORIAL DAY SERVICE

The Memorial Day Service will be held in the dining room on August 30, 2004 at 9:30 a.m. Everyone is welcome to attend.
